

Vehicle Parking Policy

The Falling Waters HOA Board has elected to continue banning of all automobile/truck parking on lawns, undeveloped lots, or any common areas.

Parking of personal vehicles should be on driveways or streets, unless previous arrangements have been made and approved by the HOA Board.

No on-street parking when there is a forecast of snow of two (2) inches or more.

All vehicles must be removed from the streets to allow the snowplows to cover the entire street when plowing. Violators will be subject to fines and having their car towed at their own expense. This will ensure the safety of our community and property and make the snowplowing more effective and efficient.

See the Falling Waters Fine and Fee Schedule for amounts to be instituted for violations of this policy.

If you have any questions regarding this policy, please contact the HOA Board at FallingWatersHOACrownPoint@gmail.com.
